EDUCATION

HIT \\ Bachelor's in Visual Communication Design (B.Des) 2023 – Today

3rd-year Visual Communications Design student.

Amit Atidim High School, Or Akiva 2012 – 2018

12 years of education, complete matriculation certificate,
Majors: Chemistry (5 units), Physics (5 units).
English (5 units), Mathematics (4 units).

WORK EXPERIENCE

Medical Device Startup \\ Epitomee Medical 2020 – 2022

Operated within a high-standard cleanroom environment, maintaining extreme precision and accuracy in every task. Supported Quality Control (QC) processes and clinical trial operations while executing complex technical tasks with meticulous attention to detail.

MILITARY SERVICE

IDF \\ Medical Services Coordinator 2018 – 2020

Provided guidance for soldiers with complex medical conditions, managing cases in close collaboration with doctors and nursing staff. Conducted weekly shifts at Rambam Hospital, including duty within the Trauma Room to report on severe injuries.

Due to my professionalism and dedication, I was promoted to Lead Coordinator and received the Unit Commander's Excellence Award.
